

# WV 5 Premium Non Stop Cleaning Kit

**KÄRCHER**

The WV 5 Premium Non-Stop Cleaning Kit allows effortless, streak-free and drip-free cleaning of windows. The WV 5 Premium Non-Stop Cleaning Kit includes a battery-powered Window Vac, a narrow suction nozzle (especially for lattice windows and small panes), a spray bottle with microfibre wiping cloth, cleaning agent, a charging station and exchangeable battery (for continuous cleaning). The spray bottle and microfibre wiping cloth are the perfect pair for particularly effective cleaning. In comparison to the previous range, we were able to significantly improve the battery's running time. The spacers on the suction nozzle guarantee better window cleaning results right up to the edges. The charging station can be used to charge individual batteries as well as for safe storage of the entire battery-powered Window Vac. The charging station can be used to charge individual batteries as well as for safe storage of the entire battery-powered Window Vac.

### WV 5 Premium Non Stop Cleaning Kit

■ Soft grip handle
